SUMMARY

I am an experienced math teacher who decided to switch occupation to QA engineering. I've got a keen eye for details, a passion for testing, and I find great enjoyment in finding bugs and errors and seeing them fixed. My hobbies include P.C and tabletop gaming, table tennis, hiking and spending time with my friends and family.

PROJECTS

Web project - facebook

- I was the scrum master in a group project for testing "facebook.com", creating STP, STD, STR.
- We found a total of 12 bugs and reported them to "facebook" development team.
- Devtools was used throughout the testing to verify and recreate the after mentioned bugs.

Mobile app project - waze

- Personal project on Waze mobile iOS and Android app, creating STP, STD and STR.
- Smoke, Sanity, Interface, Boundary and Negative testing.
- I found a few bugs and reported them to the development team.
